

California Melon Research Board

Dear Melon Symposium Sponsor,

October 31, 2026

The 2026 Melon Research Symposium will be held on **Thursday, January 8, 2026** at the Marriott Gaslamp in San Diego, and we look forward to seeing you again early next year. Our Special Guest speaker has not yet been determined, however I didn't think I could wait any longer to send the Symposium announcement. All of our Board-funded researchers will present their projects as well as several other guest speakers/panels who are also yet to be finalized. As has been the case in the past, each sponsorship of \$1,000 (Case Level) or more comes with 2 free admissions and Annual Reports.
