

Dear Melon Symposium Sponsor,

October 12, 2026

The 2027 Melon Research Symposium will be held on **Thursday, January 7, 2027** at the Omni San Diego at the Ballpark, and we look forward to seeing you again early next year. Victor Davis Hanson will be our Special Guest speaker and will be speaking to us via Zoom this year. As usual, all of our Board-funded researchers will present results of their projects, along with several other guest speakers. As has been the case in the past, each sponsorship of \$1,000 (Case Level) or more comes with 2 free admissions and an Annual Report. Please [click here](#) to fill out this form and pay online, or you can still print this out and send it to me via regular or email.
